### BURNLEY PHILOSOPHY

We're a forward thinking crew committed to enjoying the simple things. If you ask us, the best things in life are free: building connections, making memories and having fun.

We want to be part of the movement to drink better and live better. Our parents always told us to be nice to people, and we agree that's the most important lesson we could learn. We've designed our menu with a quality and seasonality in mind. A nod to our past as Romulus & Remus, we've kept some old favourites and added some new ones. If you'd like a beer or wine recommendation to match your meal, head up to the bar and speak to our crew.

Hang out and relax, the other thing can wait.
