## BOILERMAKERS

### Double IPA/Bakery Hill Double Wood Single Malt - \$26

Inspired by Melbourne winter, the stone fruit heavy Double Wood whiskey matches the powerful hop aromas from our Double IPA. The whiskey contributes warmth, oak and syrup flavours while the beer's hop bitterness brings a smooth finish.

### Dry Stout/Starward Wine Cask Single Malt- \$16

Embracing the darker side of things, the Wine Cask whiskey displays mild oak and sherry on the nose, with cinnamon, nutmeg and sherry on the palate. A delicious complement to our Dry Stout's chocolate and roasted malt flavours.

### New England IPA/Koval Four Grain Whiskey - \$20

Taking advantage of the abundance of oats in both beverages, the big bodied juicy-ness of the New England IPA is complemented by the orange zest and vanilla of the smooth finishing Four Grain whiskey.

### Pale Ale/Dark Matter Spiced Rum-\$15

This boilermaker contrasts the dark stone fruits, raisin and spices displayed in the Dark Matter with the punchy, tropical fruit aromas of our Pale Ale. Enter a world where opposites attract.

### West Coast IPA/ Animus Arboretum Gin - \$18

The citrus aroma and high hop bitterness of our West Coast IPA is boldly paired with Anumus' over-proofed gin. These complex flavours intertwine, allowing the gin's floral notes to shine.
